We meet on 2<sup>nd</sup> & 4<sup>th</sup> Monday of each month.  
 Attendance is not compulsory but we like  
 to see our members there regularly.  
 The meetings are catered with a small  
 charge for meals.

Social Activities include:

Den nights where members host  
 the club for a social evening  
 Annual interclub Lawn Bowls night  
 Christmas Party  
 Trivia Night  
 Interclub visits  
 Movie nights

Twice yearly we donate the funds we have  
 raised to the local community by reviewing  
 the requests we have received.

**When it comes to meeting challenges, our response is simple:** We serve. In 205 countries, in hospitals and senior centers, in regions battered by natural disaster, in schools and in eyeglass recycling centers, Lions are at work, helping, leading, planning and supporting. Because we're local, we can serve the unique needs of the communities where we live. And because we're global, we can address challenges that go beyond borders.

**We want everyone to see a better tomorrow.** That's why we support sight programs and services including vision screenings, eye banks and eyeglass recycling, provide eye care services to those at risk of losing their sight, and raise donations through fundraising campaigns like Campaign SightFirst and Campaign SightFirst II

**We believe everyone deserves a healthy life.** From providing health programs that focus on hearing loss to supporting efforts to control and prevent diabetes, we're working to improve the health of children and adults around the world.

**We empower the next generation.** Whether it's providing volunteer and leadership experiences in a Leo club or sharing a message of peace through our Peace Poster contest, our youth programs invest in the future by reaching out to young people.

**We serve local communities – and protect the planet.** From performing hands-on service projects to providing emergency assistance, our community and environmental programs improve our communities – and protect the environment.
